

DECLARATION OF SECONDARY USES OF PRESS CONTENT BY PRESS RELATIONS COMPANIES

Be careful : this declaration only concerns :

- Belgian French- and German-speaking daily newspaper press content,
- Belgian Dutch-speaking daily newspaper press content,
- Belgian magazine and free press content,
- French newspaper press content,
- Luxembourg newspaper press content.

Please complete this form in **CAPITAL LETTERS**

IMPORTANT :

This declaration on your honor of secondary uses¹ of press content (articles, pictures of any kind published in a newspaper, magazine and free press title or on a website) from the repertoire² Copiepresse, License2Publish and Reproress made by your company/institution/organisation **in 2024** must be filled out, even if not any press content were reused within this period. We will not interpret a lack of declaration as a non-use of press content declaration. Any **false or incomplete declaration** will be considered as an infringement to copyright law and will lead to the **necessary proceedings**. Moreover, this declaration can be **the object of necessary checks**.

This declaration is annual or six-monthly (please mention your choice in the “comments” space).

If need be, this declaration will allow us to draw up the invoice concerning the copyright owed for the secondary use³ of press contents by your company/institution/organisation. The objective of this declaration is to regularise potential illegal copies of our copyrighted works as fast as possible.

Watch out : this declaration must be filled in by an authorised person and is considered as final. By filling in this document, you are approving its content fully and unconditionally and you will not be able to contest it later on.

The personal data shared in this document will be processed in accordance with our privacy policy (you may find our general on our website).

¹ Secondary uses are all the uses which **have to be authorized specifically and beforehand** by Copiepresse, License2Publish or Reproress, copyright management companies formed by the publishers of Belgian French- and German-speaking daily newspapers, the publishers of Belgian Dutch-speaking daily newspapers and the publishers of Belgian magazines and free press titles respectively. This includes among others: the implementation of an electronic press review, the electronic reproduction or the scanning of press content in order to constitute a database or to spread them on the Internet, an Intranet or an Extranet, their use in documents distributed outside the company, the reproduction in a newsletter, etc.

The reading of press content and its reproduction in a strictly private or internal way within a company, to its staff and agents, while paying the reprographic rights to Repobel don't fall within the scope of the secondary rights to be declared to Copiepresse and/or License2Publish and/or Reproress.

² The repertoires are available on Copiepresse website (www.copiepresse.be), License2Publish website (www.license2publish.be) and Reproress website (www.reproress.be)

³ The tariffs are available on Copiepresse website (www.copiepresse.be), License2Publish website (www.license2publish.be) and Reproress website (www.reproress.be)

I, the undersigned, Mr. / Ms

Responsible for the use of press content within the company / the institution / the organisation
